Thanks, Andy, I this is a great start and it is good that you will reach out to Eben, Rebecca, and Jane. Do you think that we should include them in next week's call? I would suggest having you and I serve as the POCs, at least for now – perhaps put your name first.

I had just a couple of minor comments – to include a link to the biofuels RtC and to add slide #s.

Also, for the FY18 highlights overview presentation that Alan will do on March 6 – do you think we should highlight the biofuels RtC and/or the NCA4? If yes, do you have 1 slide for each of these reports that I could use for Alan's presentation?

Beth – here are my draft slides for our call with R7 and the R7 states next week. I’m waiting for some additional graphics on the LCA slides, but this is the anticipated text. I’ll pass this by Eben, Rebecca, and Jane Bare for review, but wanted to get your thoughts first. A big question – should we include Eben, Rebecca, and Jane as points of contact, or have the Region and states work through us?

Anything else we need to include?
